

GOD'S DIRT

God's dirt is important to Him!

He created us from it and sustains us through it and wants His dirt to be happy and rejoice! But the dirt is sick, so He can't bless us like He wants to do...

...He is coming to judge the earth.

God has given Rodney Rivers a vision of something much bigger than revival – one of God's 'suddenlies' - that involves the new worship songs, dances, and art from the *land (dirt)* - coming through indigenous Australians and going to the cities and towns, on the rivers around the coast of the nation - in warfare - followed by meetings with a powerful indigenous Australian evangelist.

It will involve healing the land and people through repentance, forgiveness, reconciliation, and restoration, as well as warfare against the 'water spirit' (Rainbow Serpent). Rod believes this will culminate in a major gathering in Central Australia.

We believe this national tour is a key in the 'Worship from the Land' vision, and we are praying about David Garrett coming to Australia for workshops with indigenous worshippers, to call forth new songs of worship from the land, probably to be held in Central Australia in April 2017.

Isaiah 40:3-5 (NLT)

"Clear the way through the wilderness for the LORD!

Make a straight highway through the wasteland for our God!

Fill in the valleys, and level the mountains and hills.

Straighten the curves, and smooth out the rough places.

Then the glory of the LORD will be revealed, and all people will see it together.

The LORD has spoken!"

It's time for His glory to be revealed!!!

***"Then the glory of the LORD
will be revealed
and all people will see it together.
The LORD has spoken!"*** *Isaiah 40:5*

Rodney Rivers is Project Officer with Khesed Ministries. He used to be a grader driver – one of the best highway builders – and a trainer of others in this profession.

I believe God has now raised him to be a spiritual highway builder who will prepare the way for the return of the Lord.

...What has to happen in building the Highway for the LORD? ...so that even the earth/dirt itself, and trees and gullies and sandhills rejoice and celebrate the coming of the Lord to judge the earth and to establish His rule in His land?...

**Worship from
the Land**

Note the words God uses below: heaven, earth, sea, fields, trees etc are actual physical things, not just images which really mean people.

Let all the *earth tremble* before him.
The world stands firm and cannot be shaken.
Let the *heavens be glad*, and the *earth rejoice!*
Tell all the nations, "The LORD reigns!"
Let the *sea and everything in it shout his praise!*
Let the *fields and their crops burst out with joy!*
Let the *trees of the forest rustle with praise*,
for the LORD is coming to judge the earth.
Give thanks to the LORD, for he is good!
His faithful love endures forever.

1 Chronicles 16:30-34 (NLT)

Worship from the Land

What is worship?

...is it wonderful hymns and music?
... a slow song in church??
 ...inspired words??
...maybe a feeling of awe
at our incredible, awesome God????
... What is worship????

Sounds of Worship

...birds, frogs, animals;
...wind in the desert oaks, the trees,
 around the rocks and caves;
...water over the rocks in the creeks, the waves;
...rain, rushing torrents of water;
...crack of a tree branch and thud as it falls;
...chirp of birds, the 'gump' of an emu;
...cries of joy, laughter....

Worship through Sight

...eagles' view of the landscape;
...hills, flowers, gumtrees, gullies;
...glimpses of lizard, whale, scorpion & snake,
...birds, kangaroos, emus & platypus;
...sunrise colours in the clouds...
...movement of waves and creeks,
...trees & plants waving in the breeze
 or the howling wind;
...dust, sand blown from sandhills;
...ceaseless movement of people
...of many colours & shapes & ages & cultures....

Reflections of God

...God's creativity and beauty
...reflected in paintings in the sand, on canvas,
...on the bodies of dancers and in their costumes;
...charcoal sketches, photos, DVDs....

...so many sounds, so many images,
...reflected in music from voices,
...wind & stringed & percussive instruments,
...dance & movement....

Worship of the Creator

...sounds and sight of worship
...of Yeshua Jesus the Word,
...spoken by our Father - Yahweh God,
...and of Holy Spirit, our comfort, guide and power,
...Worship of God Almighty,
...Who gave birth to us from His dirt,
...Who provides everything we need from His dirt,
...Who was - before anything else existed
...and will be after all has gone....
...worship of the source of all truth, justice, goodness;
...all love, beauty, authority and power;
...and Who made us like Himself;
...made us to have deep communion &
 relationship with Himself...
...the sounds and sight
 of worship of our incredible, awesome God!!!!

But what is worship – fair dinkum worship????

.... *It's all that and more – much more....*
It's a life of love and obedience and honour
to the One who made us...
...the One Who knows what is good and right for us
...and what is good for all His creation.
...honouring the One Who loves us in purity
– totally – always.

That is the real worship
that thrills the heart of God!

What now?

When *GOD's wild firestorm* DVD was completed at the end of August after nine years work, I asked the Lord "What now?" Then Robyn Beezley prophesied to me that I had a change coming that was to fulfil long-standing dreams and visions.

At the time I had no idea what that was, until David Garrett [*Scripture in Song* and *Let My People Go* film] rang me in early October from USA, very excited about things the Lord was saying to him.

I hadn't talked with David for a number of years, so this was a big surprise – although what he said wasn't a surprise: it brought to life deep-seated things in Rodney's and my hearts – things that have been developing in our hearts for over 40 years.

About 15 years ago I wrote a booklet and put a message on video called *GOD's Dirt*. It is teaching from creation to eternity on God's land/dirt and the place of blood in God's way to restore mankind and His land to His Glory.

Nine years ago I wrote this poem *Worship from the Land*. It expressed my feelings about the land and worship that was developing more clearly at that time.

Over the last month this new release of worship from the land has become very strong and urgent and the Lord has really laid 1 Chronicles 16: 30-34 and Isaiah 40:3-5 on my heart.

Please pray about how God wants you involved in this journey of worship, and let us know what the Lord is saying to you.
