

UPCOMING EVENTS

9-12 Sep 2018, Dunedin, New Zealand

This gathering is open to the Whole Body of Christ and anyone who has a Hunger for God, a Hunger for Revival and Love seeing the Body of Christ come together in Unity.

Every Session is led by the Holy Spirit with no advertised Speakers. We are anticipating deep worship encounters with Jesus. The worship team will be made of people from many different churches who have a hunger and passion for Jesus.

THE WAVE CAME FROM THE EAST

Last year at the South Asian Generation Fire Gathering - God spoke to the team about New Zealand being the Nation that would host the Next International Gathering. Trish Keenan and a small team from New Zealand were on the team. On the way to the airport the Holy Spirit gave Trish a Word (FIRESTORM) it was confirmed that New Zealand would host this next gathering.

The Generation Fire Team is inviting all our friends and Spiritual Family worldwide those who have been to Gatherings in the Past to converge on Dunedin New Zealand. This Marks 12 Years as a movement and this will be the first time it will be held outside of Australia.

"And it shall come to pass afterward that I will pour out My Spirit on all flesh; Your sons and your daughters shall prophesy, Your old men shall dream dreams, your young men shall see visions. And also on My men servants and on My maidservants I will pour out My Spirit in those days. Joel 2:28-29

As we experience the rainy season this winter, let us remember of God's promise of outpouring His Spirit upon all flesh in the last days.

The purpose of this outpouring of the Spirit is to empower His people again and again to witness to name of JESUS to all flesh and all nations.

We see that He has began moving in Australia including in our city of Perth.

Perth Easter Parade

What a joy it was to witness the gathering of people from all over our city to celebrate JESUS at the 2018 Perth Easter Parade! We had over 400 people at the event as we paraded through St Georges Tce, Hay St and Murray St Mall in loud celebration and praise attracting the attention many people who were in the CBD on Easter Sunday.

The parade finished up in front of Wesley Uniting Church where the praise and worship continued with special guest performances by noted gospel singer Stephanie Truscott along with First Fruit Productions who presented a powerful gospel message through song and dance.

One of the most pivotal moments during the event was leaders from different races, churches and denominations standing up on stage in unity to pray blessing over our city. You could literally sense the open heaven over Perth city! We were privileged to have Pastor Keith Truscott represent the Australian indigenous people, showing that through Jesus Christ we are all ONE!

We look forward to see what God will do at the 2019 Perth Easter Parade!

Indigenous prayer vigil held at site of first contact

An article by Kaley Payne — 19 March 2018

Almost a hundred Aboriginal and Torres Strait Islander Christian leaders, accompanied by non-Indigenous friends, met yesterday to pray and “reclaim” the site of Captain James Cook’s landing at Kurnell, on the southern shores of Botany Bay – the country of the Gweagal clan of the Dharawal nation.

“There have been a lot of ceremonies on this site,” said Pastor Ray Minniecon to the crowd, as he opened the event. “There is a lot of emotion. There is a lot more work to be done in our country.”

The prayer vigil was held as part of the **Grasstree Gathering**, an annual non-denominational meeting to celebrate, encourage, equip and inspire an emerging generation of Aboriginal and Torres Strait Islander Christian leaders. Organiser Brooke Prentis, a descendant of the Waka Waka people in Queensland, said the landing place of Captain Cook “will bring up many things for many people.”

BECAUSE OF HER, We Can!

8-15 JULY 2018

NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support your local Aboriginal and Torres Strait Islander community.

This year’s theme “**Because of her, we can!**” celebrates the essential role that women have played - and continue to play - as active and significant role models at the community, local, state and national levels.
